

## The concept

**Il Riposo del Soldato** is an elegant **Vermouth** that has been developed with the purpose of amplifying the value of Castelvechio red wine in order to create a unique product in which the vibrancy of the wine combines with classic aromatic plants and botanicals from the Italian tradition.

For this reason, a larger amount of wine has been used, in comparison to the usual vermouths, and no chemical stabilizer nor preservative has been added, except for pure grain alcohol.

Possible precipitations after opening are due to the absence of stabilizers and attest the artisanal nature of the production process. Therefore, we chose to set the ABV at 18% with the intention of

best preserving the organoleptic properties of our product.

## Botanicals

Wormwood, sweet orange peel, cinchona, mint, lemon balm, common thyme, gentian, artichoke, hyssop.

## Tasting notes

*Color* Garnet red color with brick shades.

*Smell* Red fruits, bitter orange, balsamic scent.

*Taste* Round taste, lemon balm aroma.

*Final note* Sweet and neat, with wormwood notes.
